

District Liaison (North Side CD)

Program	District Capacity Building Assistance (ISWCC)
Lead Implementer	North Side Conservation District
Other Organizations	Idaho Soil and Water Conservation Commission
Project Primary Contact	Chris Simons (chsimons@cableone.net)
Project Stage	Implementation
Duration	2019 - 2021

Conservation Support ➤ District Capacity Building Assistance (ISWCC)

Commission field staff are assigned to attend 1 District meeting per quarter. The District requested staff assist with five year planning, support for district workshops when held, and preparations for the new Soil Health data collection in Jerome County and attend extra meetings if remaining allocated time is available.

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
